All K mart Associates

We are pleased to announce the promotion of Mr. John D. Winslow to General Manager of Store Operations, K mart International Services, Japan.

Effective March 1, 1981, Mr. Winslow will be working directly with Mr. Archibald and his associates at Dalel Inc. for the development of store operations in mass merchandising operations in Japan.

Mr. Winslow joined K mart in 1955. After completing the management training program, he managed several stores, including some of our very early stores in Puerto Rico. He has served as a district manager, K mart store manager, K mart district manager, and regional merchandise manager in the Southern Region.

Mr. Winslow's excellent knowledge of all aspects of discount operations as well as merchandising eminently qualifies him for these new responsibilities in our joint venture with Dalel.

We all join in wishing him much success in this new assignment.
